† The Discipline of 1932 provides that Inactive Members be included in the Full Membership Total. Because of this change, and because not all the Conferences followed this direction, the Total Membership reported is misleading.

NOTE.—To the 4,331,246 should be added Central German and Chicago Northwest, later merged with English-Speaking Conferences, making a total for 1933 of 4,359,414.

ALPHABETICAL LIST OF PREACHERS

The following is a list of the Preachers whose present relation to the church is recorded in this volume. . . . The figures before the names are the years in which the men were received on Trial. Where the figure is omitted there is a question about the exact year and the matter is being investigated. . . . The asterisk (*) indicates that the name will not appear in THE GENERAL MINUTES next year, the men having been removed by death, discontinuance, location, withdrawal, or expulsion. . . . **Black-face type** indicates that the Preacher is retired. . . . The superior figure in the page number is the column in which the name appears. . . . The editor of THE GENERAL MINUTES will appreciate information which will increase the completeness and accuracy of this record. Address him at THE METHODIST BOOK CONCERN, 150 Fifth Avenue, New York, N. Y.
